1100 Scholarships Up for Grabs

Visit buickachievers.com for program details and the online application.

**Deadline: February 28, 2013
5:00 p.m. EST**

We encourage the following to apply:

- High school seniors and current undergraduates
- Those who plan to enroll full time at a four-year college or university in 2013-2014
- Those who plan to major in a field of study that focuses on engineering, technology, design or business, with an interest in the automotive industry.

The cost of a college education can be daunting. The Buick Achievers Scholarship Program can help. We are looking to celebrate student achievers who are not only dedicated in the classroom, but also committed to making a positive impact in their communities. Do any students you know come to mind? They may qualify for a scholarship of up to \$25,000 per year. Help us find and partner with these students to make college financially possible.

Proudly funded by the GM Foundation.
